# ABOUT US

EST. 2013

Hello SAM was born in 2013. We've evolved since then and are now one of Melbourne's premium gourmet burger brands.

Chef Stew is passionate about burgers, he's been cooking them for years.

We use quality ingredients and our menu is made from scratch, in-house.

We are super proud of our 100% Victorian Angus Grass fed beef, it's lean and best cooked pink.

If you want your beef well done, just ask - we promise we won't be offended.

Lots of people love adding extras and getting creative. Our tip - try our Cheddar Ale melt, it's our favourite!

We've worked really hard to develop an amazing plant based menu. Vegan or not... give it a go! You won't be disappointed.

We also cater for most dietary requirements. Coeliacs, fructose intolerance, dairy free, vegan, kids? We got you.

We work hard to deliver quality products, so if something isn't right, just let us know.

We take pride in what we do and always appreciate positive reviews from our happy customers.

So place your order, take a snap, post your burger and enjoy every bite. #hellosamburgers

We hope you have an awesome experience with us.

From all the team at Hello Sam.
